***OPENING PRAYER**

O God, You who are always doing a new thing, we confess that we sometimes close windows against the fresh air of new ideas, against the noise of other people’s worries, against the winds of change. God of every place and time, we confess that we often draw the curtains against people who are different, against world news or community concerns. Forgive us our insulation in our locked homes, our shuttered churches, the security systems on our hearts. Open up our lives and let Your Spirit blow through. We pray in the Name of Jesus Christ Who taught us to pray saying...Our Father, Who art in heaven...Amen.
